

Holiday Creativity Getaway: Paint, Stretch, Collage, and Have Fun

Linda Novick

Dear program participant, please bring the following supplies:

- A small set of watercolor paints. (student grade is fine). Inexpensive is fine.
- A small set of oil pastels (sometimes known as Cray-pas).
They are NOT the kind that are like chalk. They should say OIL PASTELS. 12 colors or more.
- Any brushes you may have. **I will supply anything you can't bring...so don't worry if you don't have any brushes.**
- **An unlined pad of drawing paper**, medium weight. Suggested size: at least 11 by 14 inches. Any brand.
- Winter clothes, including boots. The campus is beautiful for walking, and we are often snowy and cold here in the Berkshires.
- A large yogurt container and a roll of paper towels.
- Wear comfortable clothes. Since we will be painting, be sure to bring an apron or smock.

Supplies can be purchased at Michael's craft store, and some can be found at CVS, Rite-Aid, or any super market. **Inexpensive is sufficient.**

If you have any questions, you can email me at yogapaint@verizon.net, or call 413-637-0904.
